Dated: 26th September'25

Respected Parents/Dear Students,

In collaboration with RAK Hospital, we are pleased to offer seasonal influenza vaccinations for students, staff, and their families as part of our commitment to community health and wellness. The flu vaccine helps protect against influenza, a contagious respiratory illness. It reduces the risk of flu-related complications and helps build community immunity.

Vaccine options and pricing:

- Sinopharm: AED 49
- Sanofi: AED 69

Eligibility:

- All students, parents, school staff, and community members
- Children aged 6 months and older
- Pregnant women
- Adults aged 65 and above
- Individuals with chronic health conditions (e.g., asthma, diabetes, heart disease)
- Anyone who wants to reduce their risk of flu infection

How to Avail the Vaccine: Parents have two options:

1. Visit RAK Hospital independently with Emirates ID and receive the vaccine.
