Dear Parents,

Greetings from the School Management.

We hope you and your family are doing well. This is to inform you that several reminders have already been sent regarding the clearance of outstanding school dues.

Please consider this as the **final reminder** to settle all pending fees before the start of the **new academic session on 30 March 2026**.

Kindly note that, as per the school policy, students with pending fee will not be enrolled in the new academic session. The school also reserves the right to offer the seat to new applicants if the outstanding dues are not cleared within the given time.

To make the process easier, you may also avail the facility of depositing the fee directly into the school's bank account and share the payment receipt with the school for confirmation. The bank details are given below:
