MISSION: "TO EDUCATE THE STUDENTS IN A HIGHLY PRODUCTIVE AND SAFE ENVIRONMENT EMBEDDED IN NATIONAL AND INTERNATIONAL VALUES AND SKILLS"

VISION: "INNOVATIVE EDUCATION TO PRODUCE WORLD-CLASS, GLOBAL CITIZENS"

Cycle 1 (grade 1-5) Emergency Safety Instructions Parent's Message:

Assalam o Alaikum WW/ Greetings,
Respected Parents/ Dear Students,

28th March '2026

As part of our safety education program, we are teaching students in Grades 1–5 the essential steps they should follow during different emergency procedures at school. Although classes are currently online, it is important for students to learn these routines now so they feel confident and prepared when they return to campus. We kindly ask you to review these instructions with your child at home. Using the same language helps children understand what to expect and reduces anxiety during real drills.

Fire Evacuation If the fire alarm rings at school, students are taught to: <ul style="list-style-type: none">• Stop what they are doing and Line up quickly and quietly• Follow the teacher outside and go directly to the class assembly point• Stay with the teacher at all times and wait for instructions before returning inside	Shelter-in-Place This procedure is used when it is unsafe to go outside, such as during a sandstorm or heavy smoke. Students learn to: <ul style="list-style-type: none">• Stay inside the classroom• Continue learning calmly• Follow all teacher instructions
Lockdown A lockdown is used when there is a danger inside or near the school. Students learn to: <ul style="list-style-type: none">• Move to the safe corner of the room• Stay low and quiet and Keep phones away• Listen carefully to the teacher• Remain inside until the "all clear" is given	Supporting Students of Determination We remind students that some classmates may need extra help. They are encouraged to be patient, supportive, and follow the teacher's directions so everyone stays safe.

We teach students to:

Stay calm and Follow instructions immediately and Help classmates by being quiet, focused, and responsible.

Thank you for partnering with us to maintain a safe and caring school environment.

Best Regard,

Mr. Amjad Ali Sher
