Parent's Message : Grades 9–12 Emergency Safety Instructions

Assalam o Alaikum WW/ Greetings,
Respected Parents/ Dear Students,

28th March'2026

Our students are learning the emergency procedures they will follow when they return to campus. Even though classes are online, this training helps them respond calmly, safely, and responsibly in any emergency. Older students also play an important leadership role in supporting younger learners and helping maintain a safe environment. Please review these guidelines with your child at home to strengthen their understanding and readiness.

Fire Evacuation

- Exit immediately and calmly and avoid using elevators
- Proceed directly to the designated assembly point
- Assist younger students if instructed by staff
- Stay with their class for attendance and accountability

Lockdown

A lockdown is used for intruders or security threats. Students learn to:

- Move to the safest area of the room
- Stay silent and out of sight
- Silence their phones
- Follow all staff instructions
- Avoid opening the door for anyone except authorized personnel

Shelter-in-Place

- Stay indoors and Close windows and blinds
- Continue calm activities
- Wait for official instructions from staff or authorities

Supporting Students of Determination

Older students may be asked to assist staff in supporting classmates with mobility or communication needs. They are reminded to follow instructions carefully and act with patience and respect.

⊗ Student Responsibilities

Students should Act maturely and responsibly. Follow instructions without delay. Avoid spreading rumors or misinformation Help maintain calm among peers. Serve as positive role models for younger students

Your support in reviewing these procedures at home helps strengthen student confidence and ensures they are prepared to respond safely and responsibly during any emergency. Thank you for partnering with us to maintain a secure and supportive school environment.

Best Regard,

Mr. Amjad Ali Sher
